Church Anniversary service led by Stuart Radcliffe
Please bring food to share for the meal together.

We pray for Sally Thomas as she starts her new ministry as Ecumenical Officer for Wales.

EASTER

From this

To this!!!

We were amazed by David Amvam at our Easter service, when he produced what looked like a dried up shredded wheat!! When he added water to it, we all watched as over the service it came to life, gave off a lovely aroma and turned green and **ALIVE**. It reminded us how something can look dead but still come back to life. It's called the Resurrection Plant and came from South Africa.

We enjoyed sharing the Easter breakfast together and the young people enjoyed the Easter egg hunt.

SOS Children's Villages Charity. Annalise, Dongjing and Tom came to speak about helping orphan families world wide. It was a very interesting and thoughtful presentation. Please think about offering a donation to help out the children.
