Happy 256th Birthday to Roby.

We celebrated our 256th anniversary with Stuart Radcliffe on Pentecost Sunday. We had balloons and cards, thought about how a kite symbolised the Spirit's presence among us and enjoyed a lovely celebration together afterwards. It was good to see a number of children doing activities and joining in. It was also lovely to see Cindy, Enid and Chloe as well as Beryl.

Brian Hinchliffe.

It was a real shock to hear that Brian had died suddenly at home on 25th May, something that was quite unexpected as he had been so well and had been caring for Edith following her fall and breaking her wrist (the more light weight plaster is helping and we hope that the break is soon mended).

Thanks to Sarah Brewerton who led the funeral services at the crematorium and back at Roby. Mark and Neil made a fitting tribute to their father remembering him as Dad who was proud of his 3 sons (Jonathan did one of the readings) and enjoyed spending time with his grandchildren and family. We think and pray for Edith and all the family at this sad time.

We will be saying goodbye to Sam at the end of this month as he goes off to CERN and the Large Hadron Collider for his PhD placement. We wish him well and hope to see him back for his third year. We will miss his fabulous piano playing on Sunday mornings. We hope to share lunch together on Sunday 24th June – more planning is required.

This is also true of the Olympic Torch Relay which passes by Roby on the same day at approx. 7:30 am. Anyone for breakfast?
