Pastoral News

Congratulations to Samuel Webb on achieving a first in his physics degree. Sam will be staying in Manchester and working towards a PhD in particle physics. We wish him well in this new venture. He is also preparing a campaign of welcome for new students with a meal on Thursday 29th September at 7.30 pm. We hope everyone will be there and able to help make this a great event.

We have heard from the Salim family. They have settled well near Lahore and the girls are continuing their education.

Strawberry Teas.

The weather managed to stay fine for our Strawberry teas and we enjoyed sitting under the gazebo outside, admiring the garden and meeting several neighbours who came in to chat. Thank you to all who made scones and came on the day.
