It's good to see **Angelica** looking so well again.

Edith has had a stay in hospital after a fall and her health is causing concern, so we pray for her return to health. She's back home now so we hope to see her at church soon.

We are planning to go out for a **Christmas Meal** lunchtime on 14th December. Any suggestions for where to go are very welcome.

FoodCycle provides a regular free meal every Wednesday evening at Roby about 7pm for anyone who would like one, and an opportunity to meet local people in a pleasant environment.
